

# NLI Covered Wagon Project

Help us realize this opportunity for our campers!

What camper wouldn't want to spend the night with their counselor and bunkmates in a covered wagon? Each covered wagon will sleep eight and will have lights and electricity. This is a great opportunity for us to do something really special. We would like to build at least two covered wagons. We will be able to use them for special sleep outs, overflow housing, and for family camp. Our estimated cost is \$5000.00 each. We have been given \$2900.00 towards the project. Donations should be marked "Covered Wagon" and sent to the address below.
