Prizes will be awarded according to the amount of sponsorships each Disc Golfer is able to raise. The more you raise the better the prize! There will be other prizes ranging from NLI scholarships to cool disc golf equipment. Many of these prizes will be given to those who do remarkable things on the disc golf course.

New Life Island has been providing a summer camping experience for campers of all ages since 1972. Many campers have attended camp on our island and many people have faithfully served the Lord as staff here. Literally thousands of people have made life-changing decisions because of the ministry of New Life Island.

We firmly believe that a week of camp is a tremendously valuable experience for a young person. Camp is a great place to grow and to learn about yourself and the creator. It is our desire that all children have an opportunity to experience a week at New Life Island. Sometimes economic difficulties make it hard for families to send their children to camp. New Life Island has never turned a camper away because of a lack of finances.

Our camper scholarship fund provides a way for campers to attend camp, even if their families are having a hard time financially.

It is our goal through the Disc Golf Marathon to fund our scholarship fund and then to use any excess funds to improve our various program areas, thus improving our campers overall camp experience.

We do this because we love kids.

The Disc Golf Marathon is open to all disc golfers from 12 years old and up. Golfers under 18 years of age must be accompanied by an adult. Parent-child teams are encouraged!

WHAT IS A DISC GOLF MARATHON?

A Disc Golf Marathon is an exciting way to benefit New Life Island and have a lot of fun playing disc (frisbee) golf at the same time!

Each golfer will be attempting to play 54 holes of disc golf on our 9 hole course. As a golfer you will be expected to do your best to raise sponsorships. The goal for each golfer is to raise as much as possible.

Your sponsors can either give a set amount per hole or they can give a special gift for the day.

WHAT ABOUT SPONSORSHIPS?

Ask anyone and everyone. The more people you ask the higher your sponsorship will be. You can send sponsor letters in the mail or you can hand them out personally. People will sponsor you because they know you, and because of your belief in this cause, even if they don't know about New Life Island.

Some sponsors will give you a donation that you will bring with you to the marathon. Others will give you a completed sponsorship form. New Life Island will contact all sponsors concerning their pledges. Once you hand in your forms your work is done. Except for playing disc golf of course!

Your sponsors can also make their payments online. Just direct them to our website!
