No one leaves the same

A Golf Marathon is an exciting way to dramatically benefit New Life Island and, at the same time, have more fun on a golf course than you ever dreamed possible. Your goal will be to play 54 holes of golf in a single day. Impossible you say?

We have a few special rules and arrangements that help make this possible:

- You will score no worse than three strokes over par on any hole. (Pick up your ball and go to the next hole)
- No stroke and distance penalty on OB shots (stroke only)
- Each twosome will have its own cart.

We do trust that each golfer will do their best to raise sponsorships for this event. The goal of the event is to raise funds for the scholarship fund.

Sponsors can support their favorite golfer online.

***It is OK if you would like to play less than 54 holes. Come, join us and play as many rounds as you can.***

## Register Online

Golfers can pay their \$100.00 registration fee and their sponsors can give their financial support through the camp website, [www.nli.org](http://www.nli.org). The Golf Marathon is found under the "Support the Island" tab.

Golfers can also find other resources on the Golf Marathon page.
