Merry Christmas from New Life Island!

We want to wish a Merry Christmas to our New Life Island family and thank you for all the ways you give, encourage, support, and make camp possible year after year. **We are so grateful for everyone who joins us in this life-changing ministry.** Praise the Lord for the hearts he renewed this summer, and join us in praying for his continued work here at camp.

And praise God for his Son, Jesus! How incredible that Almighty God would humble himself to become a helpless human baby, and then later die in our place on the cross, only to rise again and defeat the power of death. And after all that, **he offers salvation as a free gift, to anyone who calls on the name of Jesus!** Praise the Lord, our Creator, Redeemer, and King.

50th Anniversary Projects

We have finished half of our 50th anniversary projects, and are excited to get the last two completed! We are thankful to have connected with **Servant's Heart Ministries**, a Christian construction ministry, who is willing to donate the labor for our Motel Restrooms and North Lodge renovations. Now we only need funds for materials, which we estimate to be about **\$34,500 remaining**. Would you consider helping us accomplish these much-needed upgrades? We plan to finish the Motel Bathrooms before the summer, and the timing of the North Lodge renovation depends on available resources. We are incredibly grateful to everyone who has made these facility improvements possible! **Thank You!**
