MEN'S RETREAT

OCTOBER 9-10

FORGED BY GOD: HOW THE MASTER CRAFTSMAN SHAPES US

A man apart from God is like raw unrefined iron. But in the hands of the Master Craftsman, he is shaped with purpose. God uses fire, hammer, and pressure to form us into men who are useful for His Kingdom and His glory.

JASON BLACK

Jason Black is the Executive Director of Renew Bible Ministries, the parent nonprofit organization of Revivals Outreach Ministries. He also serves as Missional Pastor of Renew Bible Church. Jason entered ministry work 10 years ago, leading men's and purity ministries at his church, and later answered God's call into full-time ministry. He is passionate about seeing lives transformed through the Gospel and equipping people to boldly follow Christ.
