

NEW LIFE  ISLAND

# SENIOR SAINTS DAY

THEME: ROOTED & STILL GROWING

*Rooted in faith. Still growing in grace.*

Join us as **Paul and Joyce Ciotta** of *Communicating with Purpose Ministries* weave songs of faith and grace with uplifting scripture to encourage everyone to keep faith focused, stay strong in trials, and continue to walk with Christ.

## OUR SCHEDULE:

This special day begins at 10:30am with a great time of singing in our pavilion. Following this, our NLI Chicken BBQ will be served in our Dining Hall. We will return to the pavilion for an afternoon program with Paul and Joyce.

There will be an offering taken for our Camper Scholarship Fund. Thank you for supporting the ministry!
