## Merry Christmas from New Life Island!

As the end of another year draws near, we are praising the Lord for yet another season of fruitful camp ministry. From campers to staff to volunteers and donors, God has richly blessed us with opportunities to see him at work in and through so many people. Whether it's summer camp, fall retreats, or even work days, everything that happens here on the Island is done for the Lord. He made us, loves us, and sustains us, and we owe our very lives to him.

So in this Christmas season, we join you in praising the Lord for the gift of His Son, Jesus. Thank God for coming to earth in human form to live the perfect life we could not, take the death sentence we deserved, and rise from the grave to defeat sin and death - all so that we could be forgiven and made right with our Creator.

Merry Christmas!!

## Dining Hall Upgrade

We have begun the second phase of this endeavor, remodeling the Dining Hall bathrooms (behind the Dining Hall itself). Interior demo was finished a few weeks ago, and we have started on new plumbing and framing. We are excited to have these bathrooms freshly renovated for this upcoming summer! We are very happy with how the porch and attached bathroom have turned out! The new porch was a huge blessing this summer, and all of our fall retreat campers loved the new attached bathroom as well! Praise the Lord, we have received the funds that we expect the remainder of this project to cost. Thank you for making this Dining Hall upgrade possible!
