Dining Hall Upgrade

We have almost completed work on the new Dining Hall wraparound porch, and it is looking great! We are also making progress on the attached bathroom, but are waiting on the river to go down so we can insulate. Thank you to everyone who has given to or worked on this exciting project!

North Lodge

The first stage of our North Lodge renovation is almost finished! Thank you to everyone who donated and those who helped - whether it was with the chimney, roof, windows, electric, drywall, paint, or flooring - we appreciate all your work! The next step is to add an attached kitchen. We are excited to use this beautiful new meeting space for small guest groups and summer staff!

Thank You, Volunteers!

We are so thankful for everyone that pitched in for our Firewood Day in February, our Work Day in April, and those that have helped throughout the spring. Camp would not be possible without you!
